LIMITATIONS: The Report's findings are not a prevalence estimate of human trafficking in the United States but instead serve as an objective summary of what the federal system has done to address trafficking. The Report does not capture data from state prosecutions, state civil suits, or unreported human trafficking cases.

The
HUMAN
TRAFFICKING
INSTITUTE

THE HUMAN TRAFFICKING INSTITUTE exists to decimate modern slavery at its source by empowering police and prosecutors to stop traffickers. Working inside criminal justice systems, the Institute provides the embedded experts, world-class training, investigative resources, and evidence-based research necessary to free victims.
